Texas Comptroller State Tax Audits

“If I already have a CPA, do I need a state tax specialist?”

When it comes to Texas Comptroller state tax audits, CPAs and their clients often turn to Texas Tax Group. Why? For the same reason you would seek a cardiologist for a heart condition—specialized expertise.

State tax audits can be nuanced and time consuming; therefore, partnering with the largest team of former Texas Comptroller state tax auditors and state tax specialists allows both CPAs and their clients to get back to business. So before moving forward with your audit, consider adding a state tax specialist to your team who:

- **Focuses** primarily on managing and defending Texas Comptroller state tax audits
- **Understands** the nuances and complexities of the Texas tax code
- **Knows** how to navigate Texas Comptroller audit and redetermination procedures
- **Handles** the entire audit from pre-audit preparation all the way to oral or written hearings
- **Leverages** the expertise gained from conducting and managing thousands of state tax audits

Still unsure of why you need a state tax specialist on your side? Need more convincing? Compare the primary focus areas of most CPAs and those of Texas Tax Group—the largest and most experienced team of former Texas Comptroller state tax auditors and state tax specialists in Texas.
